- STRETCH will break if you pull him too far.
- Excessive stretching could result in damage to the toy.
- Do not pull STRETCH too far - STRETCH can stretch up to 4 feet (1.2m), but stretching him too far can break your toy. DO NOT OVER STRETCH!
- When STRETCH ARMSTRONG is cold, he is more difficult to stretch. As you hold him and stretch him carefully, he "warms up," and will be easier to stretch.

IMPORTANT NOTE:

ALWAYS PLAY SAFELY!

- Do not wrap or tie STRETCH around any person's head, arm or leg.

STRETCH ARMSTRONG is NOT indestructable!

- To stretch him, hold only his hands and feet.
- DO NOT pull from shoulders and upper arms.
- DO NOT puncture or bite - keep him away from sharp objects and pets.
- DO NOT pull his head, if it comes off warm the head in warm tap water for 5 minutes and then carefully pop back onto the neck, (Ask an Adult for help).
- DO NOT TIE KNOTS into arms or legs.
- KEEP HIM AWAY FROM INTENSE HEAT.
- DO NOT leave STRETCH out in the sun.

IF STRETCH is punctured, use warm water to clean, Or... use ice to harden, then break off excess material.

IF STRETCH tears, DONT PANIC! Fix him with a plaster and he'll be ok.

HIS INSIDES ARE SAFE AND NON-TOXIC.

IF STRETCH ARMSTRONG "cracks'" inside because he is cold, simply put him in warm tap water (just up to the shoulder) for 1/2 to one hour until he becomes softer.

NOTE: IF STRETCH'S syrupy material inside gets on your carpeting, clean with warm water as you would any syrup.

PLEASE NOTE:
Your STRETCH ARMSTRONG may not appear full due to settling during shipping.

This is normal. Simply pull it back into shape with a few stretches.
